

Rudi Peters Brandt

I was born 64 years ago into a doggy family. Got my own Greyhound when I was 18, and Italian Greyhounds, Whippets and Ibizan Hounds have been part of my life since then. Today I breed Whippets under my prefix “ Frontrunner`s”. I got my license to judge the Sighthound F.C.I group 10 in 1994, and have judged all over Europe, UK, Ireland, Canada, USA & Australia.

I am looking very much forward to this exciting sunny appointment.

Sincerely

Rudi Peters Brandt
